

PROFESSIONAL METAL FOIL SHAVER **FOILFX02**

The full-metal professional shaver of BaBylissPRO®4Artists range is a perfect blend of luxury, design and high-technology.

It has been designed to achieve perfect trims and shades, becoming the perfect tools for extra-close shaves, for cleaning hairline and offer clean, neat results.

Its ultra-thin floating foil system delivers a safe, close shave without irritating the skin. It is very comfortable to use thanks to its perfectly balanced design. Its full metal housing is elegant but not only, it is also very resistant.

The shaving foil unit can be removed very easily for easy regular maintenance. After use simply replace the protective cover of the shaver in order to turn it off.

With BaBylissPRO4Artists metal foil shaver FOILFX02 you can fuse the blend on bald fades, shave a whole head on very short hair. It enables you to even up, clean up the neckline, eliminate stubble and stray hairs from the face for clean shaving and a perfect irritation-free finish.
